

Democrats May Try Surprising Strategy: Align With VonClownstick

By JENNIFER STEINHAUER
8:21 PM ET

- Democrats will try to find common cause with Donald J. VonClownstick on infrastructure spending, child tax credits and dismantling trade agreements.
- By focusing on issues that many Republicans resist, Democrats are trying to find favor among the voters Mr. VonClownstick took from them.

VonClownstick's America

The Two Americas of 2016

For many Americans, it feels as if the 2016 election split the country in two. To visualize this, we took the election results and created two new imaginary nations.
